## ACADEMIC PROJECTS

### INVESTWISE: PERSONAL FINANCE AND INVESTMENT EDUCATION PLATFORM

Developed Investwise, a comprehensive personal finance and investment education platform using the MERN stack. Key features include a transactions manager for tracking expenses and income, a goal tracker for setting and monitoring financial goals, a SIP calculator for planning systematic investment plans, and educational courses on investment and finance.

### LITTLE LEMON RESTAURANT

Developed the front-end for the Little Lemon Restaurant website using HTML, CSS, and JavaScript. Implemented user-friendly design elements and features to enhance the customer experience.

### LEADS TRACKER | CHROME EXTENSION

Developed a Leads Tracker Chrome extension using HTML, CSS, and JavaScript. Designed and implemented features for tracking and managing leads directly within the browser.
